The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION OF SUMMARY VACATION OF SANITARY SEWER EASEMENT
EAST OF 119TH STREET - DEL AIRE
SUPERVISORIAL DISTRICT 2
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find this action categorically exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Find that the public service easement for sanitary sewer purposes is no longer required for public use and that the easement may be vacated under the authority of Section 5400 of the California Health and Safety Code.
3. Find that:
 - a. Pursuant to Section 8333 (a) of the California Streets and Highways Code, the easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation.
 - b. Pursuant to Section 8333(c), the easement has been superseded by relocation and there are no other public facilities located within the easement.
4. Find that the easement for sewer purposes to be vacated is no longer needed for present or prospective public use.

5. Adopt the enclosed Resolution of Summary Vacation vacating the sanitary sewer easement north of 119th Place, between 119th Street and La Cienega Boulevard, described in Exhibit "A" and as shown in Exhibit "B" of the Resolution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

DCA Civil Engineering Group, on behalf of Del Aire Title Holding Corporation, requested adoption of the enclosed Resolution to remove from the record an excess public service easement for sanitary sewer purposes within the property.

The sewer easement, as dedicated in Parcel Map No. 18568, has been superseded by relocation. An alternate easement following a new alignment was acquired and the facility has been built and dedicated to the County in 1989. The vacation of the sewer easement will not have a negative impact on any properties in the area.

It is in the County's interest to vacate this easement since it no longer serves the purpose for which it was dedicated. With this action, your Board will vacate an easement the County and the public no longer need.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the vacation of the sewer easement will result in added revenue through assessment and taxation, eliminates unnecessary maintenance cost, and removes possible County exposure to liability.

FISCAL IMPACT/FINANCING

Vacation of the easement will not have a negative fiscal impact on the County's budget. A fee of \$2,000 was paid by the petitioners to defray the expenses of the vacation.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 2,550 square feet and is shown on the map (Exhibit "B") attached to the Resolution.

The County's interest was acquired as an easement for sanitary sewer purposes by dedication in Parcel Map No. 18568, filed in Book 213, pages 76 through 85, inclusive, of Parcel Maps, on file in the office of the Recorder of the County of Los Angeles. An alternate sewer easement was dedicated to the County in Deed recorded on October 12, 1989, as Document No. 89-1648107, on file in the Recorder's office.

The California Health and Safety Code and the Public Streets, Highways, and Service Easement Vacation Law allow your Board to voluntarily relinquish the County's interest, terminate the right of the public to the vacated area, and dispose of excess County right of way. Your action will also result in the property being unencumbered of the public easement, thereby allowing the underlying fee owner to exercise reversionary rights over the area vacated.

ENVIRONMENTAL DOCUMENTATION

With respect to requirements of CEQA, this proposed vacation is categorically exempt as specified in Class 21(a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57, and Section 15321 of State CEQA Statutes and Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The County of Los Angeles Regional Planning Commission has determined that the proposed vacation does not conflict with the County-adopted General Plan.

CONCLUSION

This action is in the County's best interest. Enclosed is a Resolution of Summary Vacation to Vacate the Sanitary Sewer Easement, approved as to form by County Counsel. Upon adoption of the Resolution, please return the executed original and a copy to Public Works for further processing. Public Works will record the Resolution and return the executed original Resolution to you when recorded. In the interim, please retain one executed copy for your files.
